Subject: Notice of site condition - Level 1 east wall

From: Tomas Reyes
To: Maya Lindqvist
Sent: Fri 4 Sep 2026 11:20

Maya, formal notice under clause 4.6: suspected asbestos-containing material was found behind the Level 1 east wall lining on 18/08/2026 (confirmed by lab 24/08). As discussed on site, the licensed subcontractor removed it between 24/08 and 28/08. CO-008 for $4,400.00 will follow for signature. Tomas
